HOW WE CAN HELP

Expert witnesses play a fundamental role within the judicial system by providing opinion evidence to assist courts in reaching decisions. With Eopinex experts, you can be assured that you will be instructing a professional with the relevant qualifications and experience in their field, as well as recognized Expert Witness training.

WORKING WITH YOUR EOPINEX MEDICAL EXPERT

It's important that we understand exactly what you need when it comes to your case, so will spend time discussing your needs and objectives. This way we can ensure we connect you to the right expert, first time.

Eopinex work with a skilled team of medicolegal experts, all authorities in their chosen fields, and who bring extensive knowledge and experience to your case.

As a neurosciences medicolegal practice our experts have experience in all neurological causes of personal injury, and also in relation to stroke, MS, epilepsy, headache, peripheral nerve disorders and all general neurology in the context of clinical negligence.

Eopinex will liaise with you throughout your case, ensuring that your expert is best placed to provide whatever you need in order to progress your claim. Be that compiling a comprehensive and precise report, engaging with Counsel, preparing a joint report or attending court.
