

# Dr Philip Barber FRCP

## Consultant Respiratory Physician

Dr Philip Barber is a Consultant Respiratory Physician at the Manchester University NHS Foundation Trust.

Dr Barber acts as an expert witness in cases relating to respiratory and asbestos related diseases, including the preparation of medico-legal reports and appearing in court.

His specialist areas of expertise include:

- lung cancer
- asbestosis
- bronchitis
- emphysema
- mesothelioma
- lung injury
- industrial lung disease
- pulmonary function testing

Dr Barber can take instructions on behalf of either claimant or defendant or as a Single Joint Expert.
